

Giving Tomorrow™ is the first and only magazine devoted to marketing planned and blended gifts.

Why Subscribe?

You'll gain a new perspective on the business of fundraising: From advice on making the ask and finding your ideal donors to pro tips on how to effectively market gift plans and run your nonprofit like a Fortune 500 company.

Giving Tomorrow™ is geared toward professionals who are proactive, success oriented, and understand that philanthropy is a business. It is packed with valuable, research-based information from thought leaders across the nation.

- Interviews with the best and brightest from the philanthropy and business worlds
- Articles on best practices, sustainability, marketing, career advice, personal growth
- Expert opinions on current trends
- Technical columns
- Inspiration and motivation from go-getters who know how to achieve success

All written from a professional, results-driven perspective: Your success is our goal.

You'll get 12 print issues a year plus:

- Pocket Guide for Professional Fundraisers
- Pocket Guide for Staff and Beginners
- Pocket Guide for Board Members
- Admission to two online client seminars
